Employee Spotlight

"Greetings and Salutations! This is Drew. It looks like I've been nominated for employee spotlight. A little bit about me, I was born in St. Paul, graduated at White Bear Lake Area High School and I have two sisters.

I've been at The Shores since December of 2013. It's been an enjoyable journey getting to meet and get acquainted with such a diverse and dynamic cast of characters; both residents and employees! I would be selfish to exclude the kitchen staff in my praises. My teammates are the best I could ask for, bar none.

History intrigues me, and through the people I serve I can live it vicariously. As you folks may be aware, you have a few years on me! Life was a lot different when you were my age. Interacting with the residents is a great way for me to bridge the past to the present.

In my personal life, I enjoy lifting weights, concocting cooking experiments, listening to music, reading books and watching movies. Although I may not always have the time during meal service, I enjoy talking to each resident. If given the opportunity, I will talk with anyone about anything! If you see me, don't be afraid to say hello and strike up a conversation!" -Drew

September Birthdays

In astrology, those born from September 1–22 are Virgo's Virgins. Virgos pay attention to details and like to keep things organized. Their deep sense of humanity and love for others makes them defenders of justice, goodness, and purity. Those born from September 23–30 balance the scales of Libra. Peaceful and fair, Libras value balance and symmetry. For this reason, they often champion justice and equality. Using tact and calm, they resolve conflicts among family and friends.

Resident Spotlight

Meet Sue!

Sue was born on February 13th, 1943, in Chicago, Illinois. She moved around a lot but stayed in Illinois until she married the "boy next door", Charles. They moved up to Minnesota in 1962, a year after they had wed. They bought a house in Blaine for, $13,000 in 1965! They had two girls and moved to Wayzata where their kids grew up and graduated.

Sue was a business manager for a large dental corporation for 23 years. She then went on to working at Mystic Lake Casino, as a "pit boss" for the next 10 years until she retired at the age of 67.

She moved to Arizona for 7 years and absolutely loved it. She moved back up to Minnesota to live with her daughter, Wendy for 6 years before coming to our community!

We are lucky to have Sue in our presence! Please make her feel welcome and say hello, when you see her! 😊
