Welcome to the team Ali!

Ali joined our team in September. She was born and raised in St. Paul. She then moved to Alaska with her husband in 2009 and recently moved back to Minnesota. Ali has 3 daughters and enjoys teaching them about their heritage and about Hmong traditions. She says her favorite thing about working at The Shores is the residents and the quality time she gets to spend with them.

Words from ED

Dear Residents, Families and Friends,

Thanksgiving means different things to different people. For some, it's a day off, for others it's spending time with relatives you only see once a year. Some people look forward to football and a full belly, and still others, slaving all day in the kitchen or hours of cleaning so great Aunt Martha will be impressed with your beautiful home.

Stores view it as that holiday between Halloween & Christmas or that day before "black Friday" blockbuster sales. Many stores now even entice us to shop Thanksgiving night!

Fortunately, there are those who cherish Thanksgiving for its' history, as a time to value what they have, to share their time and their wealth with others. Having an "Attitude of Gratitude" is what I am talking about. I found a quote by Melody Beattie that sums up my feelings and I hope it inspires others too:

"Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow."

I am grateful for many things in my life; my family and friends, my beloved animals, and the opportunity to help the residents in our community. I wish you a very special Thanksgiving filled with happiness, peace and love.

Warmest Regards,

Denise Olson, Executive Director
