

Employee Spotlight

Meet Denise!

Hello everyone! Here is some information about myself for those of you who don't already know me. I have lived in Maplewood almost my whole life. I've been married to my best friend, Dave, for almost 43 ½ years. We've been together for 47 years. We have one son, Jason who blessed us with two grandsons, Taylor who is 14 and Elliot who is 11. We also have one cat, Violet, who runs the house. My hobbies are gardening and going for walks. I also love playing games and working on puzzles. I have worked with seniors since I was 19 years old. I guess it was my destiny! I am one of the first employees to work here at The Shores since it opened in 2012.

I try to brighten everyone's day, just a little bit. I treat everyone with love and respect just like you would your family. I've always believed that it's the little things you do for someone that mean the most. They leave the biggest and most lasting impressions. I love what I do and hope I can keep on for a few more years!

Thank you, Denise, for your hard work and dedication to all of us here at The Shores!
